# CHRIS WILLIAMS

< WEB DEVELOPER >

## WORK EXPERIENCE

### FRONT-END WEB DEVELOPER

Freelance / April 2021 - Present

- Collaborates with project managers and UI designers, and contributes to the overall design review process of digital products to ensure successful and effective implementation.
- Uses coding methods in specific programming languages to initiate or enhance program execution and functionality.
- Writes high-quality, scalable, and reusable code.
- Builds components using best practices and standards for maximum performance across a vast array of web-capable devices and browsers.
- Debugs code, troubleshoots and optimizes web applications for modern devices and browsers.
- Flexible and reacts quickly to changing business conditions and meets challenging deadlines.
- Stays knowledgeable of the emerging technologies and industry trends.

### FLIGHT ATTENDANT

Delta Airlines / February 2015 - Present

- Manage as flight leader overseeing the safety protocol for passengers and crew members.
- Ensure the safety and comfort of our passengers while providing exceptional customer service, at an altitude of at least 8,000 feet.
- Administer and coordinate emergency procedures or provide emergency care when needed.
- Make decisions to address issues keeping in line with Delta policies, procedures, and core values.
- Work independently and as part of a team to accomplish tasks.

### STORE MANAGER

LIDS Sports Group / March 2009 - February 2015

- Managed store associates through use of LIDS Training Programs, goal setting (for sales and tasks), and regular follow up.
- Produced sales gains, by providing customer service.
- Prepared store schedules and provided for proper store coverage at all times, within the guidelines for wage control set by the company.
